

**HELP STOP THE FORMATION OF
CONSTITUTIONAL LAW THROUGH
EXTORTION!!!**

***Become an Original Co-sponsor of the
Public Expression of Religion Act of 2001***

Deadline: March 26th

Dear Colleague:

I will be re-introducing the Public Expression of Religion Act (PERA), formerly known as H.R. 2057 in the 106th Congress.

PERA frees teachers, school board members, county commissioners, nurses in public hospitals, and all other state and local officials from the fear that they will be held personally and monetarily responsible for damages and attorney's fees because of their expression of religion.

This bill also frees schools, school boards, and county and local government from fear that they will be held responsible for attorney's fees because of the expression of religion by employees. Furthermore, PERA fosters a climate where constitutional law is made through deliberation, not by fear.

PERA does NOT limit anyone's ability to seek injunctive relief (court orders) for perceived violations of the Establishment Clause by state and local government officials. PERA does NOT affect-in any way-claims against the government arising out of the free exercise of religion, free speech, or any other civil right.

If you would like to co-sponsor this bill please contact Tom Anderson or Duffy Sabella in my office by **Monday, March 26th** at x5-4636.

Sincerely,

John N. Hostettler
Member of Congress
