

The Money Monitor

...keeping track of how Washington wants to spend your money

Week of May 28-June 1, 2001

The House was out of session this week.

Five-year cost of House authorizations passed *this week*:

\$0.00

Year-to-date total of five-year costs of House authorizations:

\$152,490,700,000.00

Five-year cost of House mandatory spending passed *this week*:

\$0.00

Year-to-date total of five-year costs of House mandatory spending:

\$16,826,000,000.00

An authorization explicitly allows funding for a certain program and / or directs a federal agency to take a certain action. Authorizations express the House's intent to spend, however, actual funding is provided through the annual appropriations process. **Authorizations that would result in no net cost are not reported here.**

Mandatory spending directly establishes an appropriation. No subsequent action is required for the money to be spent.

*Estimates for H.R. 1 are assuming adjustments for inflation.
